About Company

We are a Will World's passionate and dedicated Department that supports international students from diverse backgrounds, profiles and sectors in obtaining new professional opportunities. We believe in the transformative power of experiences and how they shape individuals.

Our goal is to become the preferred provider of employment and internships for our clients. We assist, recommend, and offer alternatives that contribute to the fulfilment of goals and objectives of human talent, striving to add value to their challenges and adapt dynamically to the current job market.

CEO Profile

Will World Education and Training, is one of the leading Migration and Study Agencies that operates globally. Its main office is in the City of Melbourne Australia, with presence in Latin America, New Zealand, Canada, the United States, and Europe, since 2007, providing services to both local and international students.

Mission

Our mission is to facilitate the professional development to our international students by finding better employment and internship opportunities that enable them to achieve their career goals. We aim to build successful careers in Australia in partnership with high-quality organizations, promoting professional growth and sustainable development within our community.

Vision

Our vision is to be leaders in creating employment and internship opportunities, connecting talent with innovative organizations. We aim to build a dynamic community of professionals who transform their aspirations into reality through meaningful experiences, developing competencies and skills needed to face their future challenges with creativity.

Our Values

Integrity:

We ensure that all placements and employment processes are fair and ethical.

Professional Development:

Our aim is to help individuals achieve their dreams, discover themselves, and transform their lives.

Transparency:

We maintain open and honest communication with all our stakeholders.
